- Photoshop
- Illustrator
- InDesign
- Figma

Development

- HTML
- CSS
- JavaScript
- Webflow

About:

I am a current student in the NMA Interface Design Program at Kapi'olani Community College in my senior year. Living in Hawaii for a significant part of my life coming from

California I aspire to bring a strong robust style of design alongside a warm smile and understanding to clients & projects that come my way. I look forward to progressing my knowledge within an internship and to grow not just as a designer but as a person.

Experience:

CARRING TRANSITIONS

2025 — *PRESENT*

TRANSITIONS SPECILIST (AUCTION)

Talked to clients about logistics and helped them sell their goods through an auction website. Coordinated Daily workflow and organized staging plans and processing. Training and Onboarding have been done by me as well.

UNITED AIRLINES

2024— 2025

ORDER WRITER/SUPPLIER

Looked at logistics, talked to Management & Workers and bought supplies based on information. Kept tabs on incoming and pre-existing stock alongside taking note on how fast supplies would run out.

VARIOUS SOCIAL JOBS

2021 — 2024

TARGET, YMCA, GENS KOREAN BBQ

These jobs throughout the 3-4 years have helped me tremendously with learning about customer and client interactions alongside healthy social work/life interactions with workers, managers, & clients.
